Moylough Community Alert: Under the stewardship of Danny Glynn, Seamus Monaghan & Garda Pdraic Ryan, Moylough Community Alert was founded on the 10th Nov 1994. For the past 18 years the group has been instrumental in the provision of a better security environment for the elderly and vulnerable people living alone in the community. This was achieved through local community Gardai involvement and the provision and installation of security systems to suit the individual involved. This scheme has now been replaced by the Seniors Alert Scheme. For the community alert to function properly, one person from each station area should be on the committee. Our AGM will be held on **Wed 18th Jan, 9pm** in the Credit Union Building Moylough.
